**TO: ASP Faculty
ASP Field Schoolers and Volunteers**

**FROM: MARY GRACE LUALHATI D. BARRETTO-TESORO, Ph.D.
Director**

SUBJECT: Cultural and Sensitivity Seminar

DATE: 05 September 2022

All students who will join the annual field school as students and volunteers are required to attend a cultural and gender sensitivity training/seminar. The Field School Director, through the ASP Gender Focal Person, will organize the seminar prior to the actual field school schedule.

Cultural and gender sensitivity training/seminar will help promote and protect gender equality, diversity, and inclusion, and for students to become aware of anti-bullying in the context of attending field activities and in society at large. This is a mandatory requirement before enrolling in Archaeo 206: Field Methods in Archaeology, otherwise known as the Field School.

For your information and compliance.

Thank you.
